COQUITLAM, BC (November 16, 2016) —

David Myles is diving deep into the pop world, exploring new territory with the same irresistible energy and musical integrity that has become his trademark. Over his career, the genre-bending songwriter has delved into jazz, latin, country, folk, doo wop and even bluegrass. And the one thing that runs through his entire eclectic catalogue is a profound love of music.

“It’s the warm firelight on a cold winter’s night, it’s the stranger that’s holding the door. It’s the generous smile, the mother and child, it is peace ringing out over war.”

With these words, David Myles sets the tone for the season – and introduces the world to a must-have Christmas album.

It's Christmas has something for everyone: original and classic songs in a range of styles, from foot-stomping bluegrass to crooning jazz. The record includes impeccable covers of Myles' favourite Christmas standards including 'Let It Snow', 'White Christmas', and 'Les Cloches du Hameau'. The addition of three original holiday songs proves his versatility as a songwriter. From poetic and heartfelt to funny and whimsical, 'It's Christmas', 'Santa Never Brings Me a Banjo', and 'The Gift' complement the vintage feel of the album – while making it uniquely David Myles. Recorded at New Scotland Yard and produced by Joshua Van Tassel, the record features

the musical talents of long-time Myles collaborators: Kyle Cunjak (bass), Alan Jeffries (guitar), and Van Tassel (drums).

It's Christmas is a reminder of everything there is to love about the holiday season. "It's so good it's a shame, that it can't be the same, every day of the year."
